

YETI Cup Pricing

Bring us your YETI cup (preferably new and unused) and let us coat it in a beautiful finish. We will tape off the requested sections of your cup, lightly blast the surface and then apply a base coat if required for your chosen finish. We will then Hydrodip, DuraCoat or Cerakote in your preferred color / pattern. We will finish with a clear coat in either gloss or matte. The finish is very durable, but your cup must be hand-washed.
